A90

Rugged handheld
computing

Introducing the new 5.88" touch screen tablet form MioWORK. The A90 has an IP54 water and dust rating and is drop resistant from a one metre height. The devices also come with an integrated camera and microphone.

The A90 includes 8GB internal memory, with up to 6 hours battery life and a 10-point sunlight-readable capacitive touch screen. These devices also come with dual cameras, microSD expansion and a powerful Samsung 1Ghz processor.

For maximum flexibility, the A90 uses the new standard in mobile computing, Android™ 4.0, making it fast, reliable and open, with data transferable to existing systems through Wi-Fi and BT3.0 + EDR integration.

Package contents:

- Device
- AC mains charger with AU plugs
- USB to Micro USB cable
- Printed quick start guide
- Printed warranty & end user license agreement
