

Standard single display arm | L-PB (Polished Black) and L-PW (Polished white)

The new Levitate® mount is a dramatic step forward in both functionality and aesthetic design, combining unsurpassed convenience and versatility with a breathtaking appearance that enhances virtually any workplace environment. Polished aluminium and stainless steel finishes with touches of white or black colour combinations will suit different decors and architectural spaces. *Dynamic Lift Assistance™* technology allows the arms to be raised, lowered and rotated 360°, independently. As a result users can position monitors, even those up to 8kg (17.6lbs) with unparalleled ease.

Mounting hole pattern:
75x75mm, 100x100mm
Also supports 200x100mm via additional adaptor plate AC-AP-2010 (sold separately)

Maximum weight carrying capacity:
From 2kg (4.4lbs) to 8kg (17.6lbs)

Product key features:

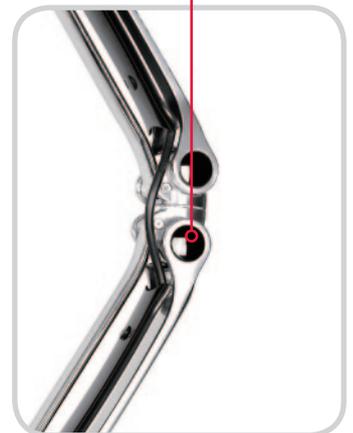

- Ideal for interactive displays
- Improved ergonomics with easy adjustments from a seated position
- Flexible mounting with Desk Clamp and Bolt Through options included
- Easy installation
- Comes with all mounting hardware included
- Can be freely adjusted from a seated position thanks to *Dynamic Lift Assistance™* technology

Visual spring gauge to assist in multiple installations

Includes bolt through and desk clamp mounting options
