The Visidec VFS-DH dual horizontal freestanding desk mount is an ideal accessory for any dual monitor application. Being able to mount two screens side by side with such versatility of movement creates a superior workspace for optimum productivity. Both monitors can be independently and infinitely adjusted up to 20° in any direction, and provides landscape to portrait rotation. The unique QuickShift lever also provides horizontal adjustment without the need for a single tool. An elegant design with a footprint so small, at just 422mm (16.25") x 305mm (12"), leaving your desk clear of clutter with the flexibility to be located anywhere on the desk.
