

Visidec focus | wall articulated VF-AT-W

Fits most displays from 12" to 24"

Mounting hole pattern:
from 75mm to 75mm wide
from 100mm to 100mm high

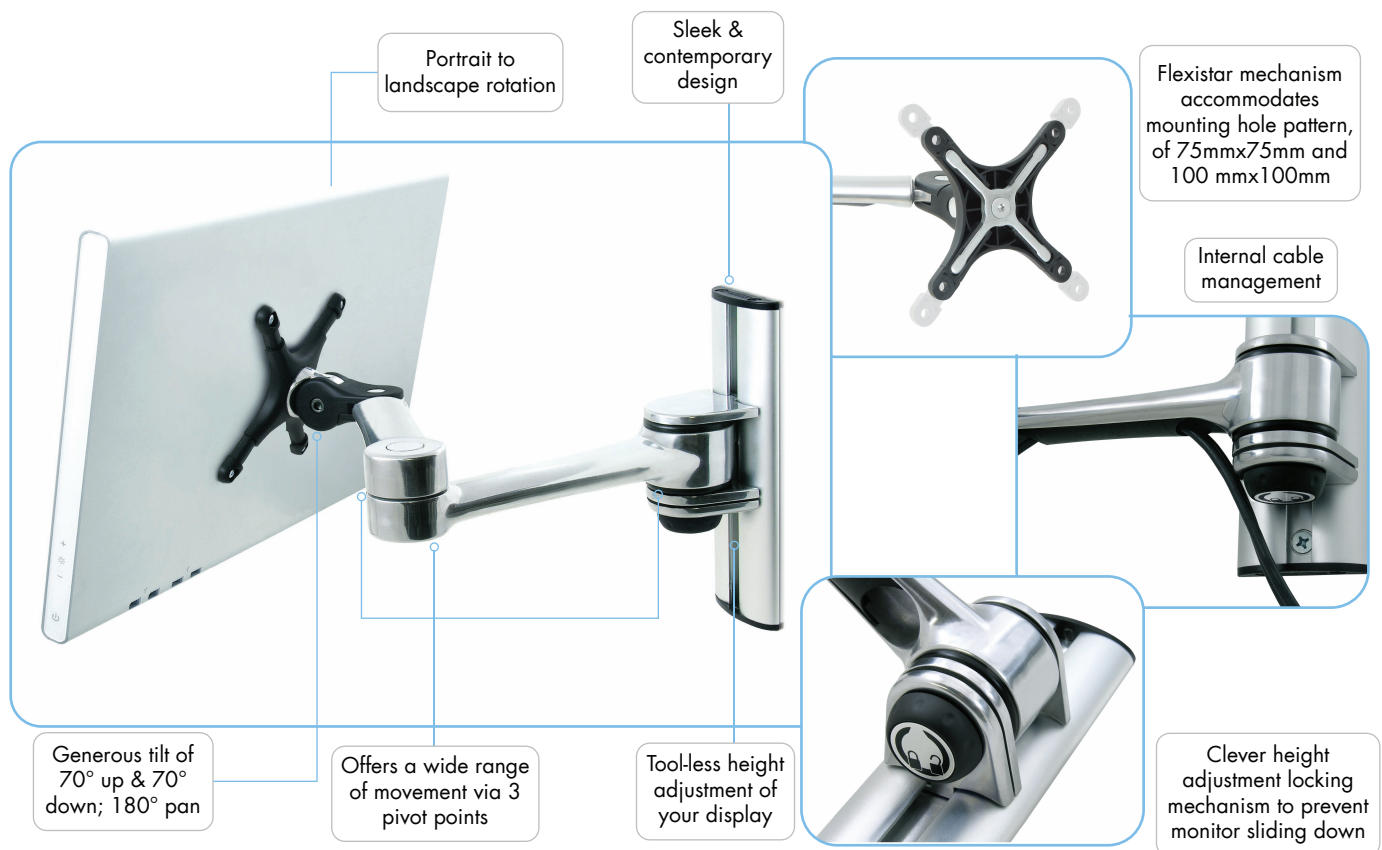

Maximum weight carrying capacity:
8kg (17.5lbs)

For a professional finish alongside effortless adjustability, Visidec Focus VF-AT-W is the ideal wall mount. Sleek and contemporary by design, It's elegant polished aluminum finish adds style and functionality to any workspace.. Three highly flexible joints allow your screen to be pulled out from the wall and folded back in on itself, be tilted by 70° up and 70° down, rotated from portrait to landscape and panned through a 180°. Height adjustment is an effortless process, with cutting edge engineering designed to allow you to move the monitor effortlessly into the desired position. Cables are cleverly managed internally for a clean look and to reduce clutter.

Product key features:
